THE SOUND OF THE WORLD

Before you embark on your language learning journey, please indulge us as we convey an important message. Advertising is our lifeblood!

Every time you see an ad on our website you are helping to maintain and improve Lingualyrical.

If you see a product or service that is of interest to you and you think you might like to purchase that product or service, please follow the link from our website to the advertiser's website.

In future, we hope to offer “advertisement free” subscription service to our users, but for now everything is provided to you free of charge, advertising is what keeps us afloat.

Thank you for your understanding.

- Scan each QR code to discover the corresponding household object. This is the beginning of building your memory palace. After scanning the QR code, listen to the audio phrases at least once. Repeat the phrase to yourself as you walk to the location of the household location or object to put the sticker in place.
  - For a shortcut, visit this link for a full list of labels with both English and Mandarin Translations.  
(Not Recommended)
- Clean Surfaces: Wipe the surfaces of these items to ensure the stickers adhere properly.
  - For items like spoons or forks, place the sticker in the cutlery tray or in the drawer containing the item.
  - Stickers MUST remain flat so as not to distort the QR Code.
- Once in place Scan 2 to 3 QR codes per day to reinforce your learning
- Listen to the “phrase only” audio as often as you can. The phrase-only audio contains ALL the phrases without translation, helping you to reinforce your mental mapping and memory recall.

**Note: While the link we have provided for the stickers template is for removable stickers. We do not guarantee that damage will not occur upon removal of the stickers.**

**Note: We have recently noticed minor speed issues when pages are loading on [lingualyrical.com](http://lingualyrical.com)  
Please bear with us as we work to resolve this issue.**

When printing the QR-linked stickers, we recommend printing a test print on normal paper to confirm alignment.

Do not print pages 1 and 2 on your blank stickers.

When printing, the recommended setting is to print at 'actual size'

The QR-linked stickers are designed to be oversized. This means that some of the colour will print outside the actual sticker. This is intentional and should make sure that your finished stickers have no white space remaining.

If you encounter any issues or need advice for best printing results, please email [info@lingualyrical.com](mailto:info@lingualyrical.com)
